

Great Swamp Watershed Association, Morristown, NJ

Education and Outreach Associate

GSWA is a member supported non-profit environmental organization founded in 1981. We are dedicated to protecting and improving the water resources of the Passaic River region from the Great Swamp headwaters to Newark Bay, for present and future generations. Through education, advocacy, science, land preservation and stewardship, in collaboration with partners, we work to instill our communities with an awareness of water's effect on health and the beauty of the environment, from source to sea.

We seek an outgoing and engaging individual to join our staff as a part-time (20 hours/week) Education and Outreach Associate and play an integral part in protecting and preserving water and land in the Great Swamp and Passaic River watershed.

This position will initiate contacts and build relationships with downstream Passaic schools and communities and provide innovate education and outreach programming based on the organization's mission. Additionally, this position will conduct land stewardship pursuant to management plans and assist with other organizational tasks as needed.
